

MINDSET

INTERNSHIP CERTIFICATE

To Whomsoever It May Concern

Date: July 31, 2021

This is to certify that Aniruddh Bhandarkar of Grade 12 in Delhi Public School, Bangalore South has completed this internship with our firm, Mindset Experience India Pvt. Ltd. June 6, 2021 to July 18, 2021 working part time.

Mindset Experience India Private Limited is a subsidiary of Mindset Consulting, an SAP partner who builds innovative solutions for digital enterprise. Mindset has expertise in bleeding edge technologies like Blue Prism Robotic Process and SAP solutions in multiple areas including Robotic Process Automation (RPA) to deliver impactful solutions. RPA enables companies to automate rule-based, manual, and repetitive processes by means of software robots so that human errors are eliminated in implementing business processes. Development in RPA requires a high degree of comfort with using application software and understanding of workflows to simplify life using software robots.

During his internship, Aniruddh proved to be a quick learner. Aniruddh's dedication was evident through his work on Blue Prism. He worked on RPA and also showed great efficiency in translating the requirements into the application as specified. Aniruddh showed commitment to the work assigned and created a workflow using Blue Prism which demonstrated a strong aptitude towards learning software. It is rare for a high school student to follow complex instructions with ease and it was a clear testament to his inquisitive nature and drive. Aniruddh has gained valuable skills in programming, understanding business flow through software and critical optimization techniques through his internship at Mindset.

We wish him all the best for his college studies and I am sure he will find more such enriching opportunities in the future. Should you need further information, you can reach me at parvathysankar@mindsetconsulting.com

Sincerely,

For MINDSET EXPERIENCE INDIA PRIVATE LIMITED
